

Hello Everyone!

Welcome back! We are so excited to have everyone joining us for another season of Ski Tuesday! My name is Hallie Scammell, and I am one of two supervisors taking over for Maddy for the 2023-24 season. Our other leader for the season is Ken Franson who will be the Training Supervisor. Both Ken and myself were a part of the Ski and Ride leadership team last year, and are excited to be back for another season! Please read through the information below regarding Ski Tuesday and the necessary requirements for your child to participate.

Ski Tuesday will start on January 9th and end on March 5th. This is an 8-week program with two make up dates built in for the month of March. There will be no Ski Tuesday during February vacation (Feb 20th). This program will be available to students in grades 1st-8th only. Students who are higher grade levels are welcome to free ski but due to liability reasons, only the students enrolled in the Ski Tuesday program are eligible for rentals.

Please complete the sign-up form below. **The following steps and Registration must be completed by 12/20 in order for your student to participate in the Ski Tuesday program.** We encourage you to return your student's registration as soon as possible!

- **If your student is new to the Ski Tuesday program**, please create a Saddleback profile at <https://shop.saddlebackmaine.com> before proceeding to the following step
- All participants in the Ski Tuesday program will need to go to their Saddleback account and sign two waivers- the Rental Waiver, and the 2023-2024 Liability Waiver.
 - Login into your account at <https://shop.saddlebackmaine.com>
 - Click the box in the top right corner that says " Click Here for Account Options" and choose "My Account."
 - Once redirected, a list will appear on the left-hand side of the screen, click on "Waiver."
 - If you are on a mobile device, click the grey bar at the top of the screen that says “Click Here For Account Options”, and a drop-down menu will appear with the “Waiver” tab.
 - Sign the Rental Waiver and the 23-24 Liability Waiver

4) Once you've created an account for your child and signed the waivers, you can come to the Saddleback ticket window and pay for your \$50 Laker pass. You do not need to come to Saddleback to have your child sized for their rentals. Our rentals team will be headed to the school in early December to fit the students for their rentals. You can also help this process by filling out this information in the registration form.

Please do not hesitate to reach out with any questions or concerns. We are so excited to have you all back and can't wait for another great season!

All the best,
